Subject: RE: Application for Referral - COVID-19 Recovery (Fast-track Consenting) Act 2020

Hi Kellie

Hope you are well, sorry I missed you on the phone but we can touch base in the morning. As a part of our initial check for completeness of the three applications, we have identified a couple of points that we see benefit in addressing before we proceed further. Hopefully they are relatively quick to resolve/answer, and if needed we can discuss verbally. Please note that the below points are based on a preliminary look at the applications and we envisage that further information will likely be sought in due course.

General

1. The application documentation variously shows the applicant as Winton Properties Ltd, and Winton Partners. Could you please confirm in what name the company would want any future consents that may be granted (for each project)? This will help to avoid confusion/errors moving forward.
