Ata mārie Laurette,

I hope your day is going well.

Please find attached a letter with comments on the likely climate change implications of four fast-track consenting applications, for you to send to Minister Parker's office. We've summarised these projects below, for your information.

For future applications, if our comments are only minor, we'll just send an email with comments for you to send to Minister Parker's office. If the comments are significant, we'll draft a letter (as we discussed last week).

Also, for future requests – could you please send these requests to Fiona and I and cc in CIPA@mfe.govt.nz, Mark and Katherine?

Thanks!

Rachel

Hi team,

Please see the attached letter, the attachments are very large so if you don't have them, please let me know (we'll have to organise a dropbox)...

Assuming you're already aware of this. Would it be possible to please to receive advice on this by Midday, Tuesday 11 August?

Happy to discuss.

Many thanks,

Laurette
