Hi all

The timetable with updated dates for getting Northbrook Wanaka to Cabinet can be found here: <https://tepuna.mfe.govt.nz/otcs/cs.dll/link/15524015>. I will have a think about how this timetable is displayed going forward as it is starting to get a bit messy (and confusing) with multiple applications.

Note that to meet the 5 October timeframe for CAB, I have proposed ministerial and departmental consultation to occur in parallel. It will need to be confirmed with Rereata if it is ok to do this.

Dhilum, if you haven't already, would you be able to give PCO a heads up.

Megan would it please be possible to book times for the following signoffs/reviews:

- Monday 21 September:
 - Dhilum legal review draft CAB paper – version for departmental/ministerial consultation
 - Sara to approve draft CAB paper for providing to Liz. Seeking approval to send out for departmental/ministerial consultation
- Tuesday 22 September:
 - Liz approval of draft cabinet paper for consulting with departments and submitting to Ministers office for ministerial consultation.
- Tuesday 29 September:
 - Dhilum legal review final CAB paper
 - Sara approve final CAB paper for providing to Liz
- Wednesday 30 September:
 - Director (Liz) – approval of final Cabinet paper for providing to Minister's office
 - Dep Sec (Janine) – visibility of final Cabinet paper for providing to Minister's office
 - Final CAB paper and amended OIC to Ministers office for lodging.

Kind regards

Laura Harding – Contractor, Natural and Built Systems

Ministry for the Environment – Manatū Mō Te Taiao
