Hi Charlotte,

I just realized that 7pm my time is 6am NZ time, so let's go for 8am NZ time on the 28th which is 9pm my time.

Thank you,
Sapir

Thank you Charlotte,

Wednesday the 28th at 8am NZ time , 7pm UTC +2 will be perfect. I can also take a later call after kids bedtime (9pm UTC +2).

Please feel free to send an invite to either of those options.

Looking forward to it,
Sapir

Hi Sapir,

I had a lovely Christmas and New Year, thank you for asking 😊 and I am really glad you did too!

I have had a look at time zones and could suggest a meeting at 8am NZ time which is 7pm UTC +2 or we can do 7am UTC +2 time, which is 8pm NZ time. Which of these 2 options would be your preference?

For dates, we could do Tuesday 27th January at 7pm your time, or Wednesday 28th January at either time.

I look forward to hearing from you soon.

Ngā mihi

Dear Charlotte,

Thank you for your email. I had a lovely time during the holidays, thank you. How was yours?

I am in a European timezone (UTC +2), so NZ's late afternoon or morning would be best for me if possible. Days are more flexible for me.

Thanks again,

Sapir
