Kia ora Aaron,

Just following up – have you heard any more about access to these documents?

Ministry staff work flexibly by default. This means I work in the office/at home from 8:30 – 4:30.

FYI from Sapir,

I hadn't seen this one come in but would be good to do an initial appraisal so we can decide next steps.

MFE CYBER SECURITY WARNING

This email originated from outside our organisation. Please take extra care when clicking on any links or opening any attachments.

Dear Aaron,

Please find [here](#) a link that will lead to a folder where we will upload all materials needed for review.

As discussed, I have first uploaded the documents that might be helpful for you to shape your view on the nature of the proposed activities - GIGPA04 and GIGPA05.

Form 1 for each activity is also included in the folder.

Please let me know who else from your team will need access to the folder so I can add their emails as well.

When could it be a good time to have another call to discuss your understanding of the nature of activity? Will the end of next week be possible?

Thank you in advance,
Sapir
