Subject: CLASSIFICATION PIE fortnightly hui

Kia ora Matt

We've had a short notice request to do a 5 min snapshot on an aspect of our team's work – this is for the PIE fortnightly hui on Thursday, 230pm. Each of the teams under Jo Gascoigne will cover one topic, so Marine Policy, System Tools, Statutory Functions.

mCDR would be an interesting topic to cover as it cover a good span of our team's work:

- International agreements
- Cross domain ie. climate and marine
- Domestic legislation ie. EEZ
- Real world examples ie. Gigablue
- Advice to Ministers

Would you be ok to do an overview please? – task is 2 slide (one could be the diagram from the aide mem?) and a verbal 5 min overview (illustrating a range of aspects we cover eg. policy – international / domestic, advice to Ministers, science). Maybe an hour max to prepare?

Kā mihi, Matthew
