Hi Aaron,

We have an itinerary challenge -

We have a confirmed meeting with Ministers Patterson and Simmonds on Wednesday at 11:45.

And we have a confirmed session with the Ngai Tahu on Thursday at 15:30 in Christchurch.

The best way would be to meet you on Wednesday after the minister's meeting.

Alternatively, we have a Thursday morning window, but we need to finish by noon and then go to the airport.

In addition, could you please let us know whether Martin will attend the meeting?

Please advise,

Thanks
Guy
