There are two main drivers:

- At a late March CPMG, Ministers Watts, Simmonds and Patterson asked for the advice.
- There is a general agency awareness that Gigablue is wanting to move at pace.

A week can wait.

Kia ora David

I'm not across what the driver is for this advice – if there is no deadline or expectation of action from the Minsiter's office then I'm ok to move the deadline out.

Cheers
