Morena koutou,

Thank you for all your feedback on the Gigablue briefing – this is all very helpful. Matt and I are keen to get everyone in a (virtual) room to discuss how we can address feedback and get a reasonably sized paper off to the Ministers within the next few weeks.

The only time we're available is on Friday between 11 – 12pm or 1:30 – 2:30pm. Could you please advise which time works for you and I will send out a teams invite.

Ngā mihi,

Bonnie

Afternoon all,

I am sharing our draft briefing on the barriers to Gigablue's marine carbon dioxide removal technology called MCFS. We welcome any thoughts and feedback on this by **4 June** with delivery due to Ministers on **10 June**.
