Kia ora 9(2)(a)

Thank you for your emails received by the Ministry for the Environment (MfE) on 15 and 30 June 2026, requesting the following under the Official Information Act 1982 (the Act):

- *Any documents, including briefings, meeting agendas, note and minutes, and emails, regarding the marine carbon dioxide removal company Gigablue*
- *Any briefings or other documents supplied to ministers regarding marine carbon dioxide removal, not already captured by the first part of my request*

I'd be happy for you to narrow the scope to exclude:

- *Emails related to RNZ's media requests*
- *Emails where the primary topic is not Gigablue or mCDR*
- *System notifications about access to documents*

On 14 July 2026, the Ministry for Cities, Environment, Regions, and Transport (MCERT) notified you that it was extending the timeframe for its response to your request by 20 working days under sections 15A(1)(a) and 15A(1)(b) of the Act.

We have identified 25 documents and 110 emails in scope of the request, as outlined in the document schedule in Annex 1 below. We have also identified Microsoft Outlook calendar events and responses for 17 meetings attended by MfE officials, which are outlined in Table 1 below.

I am releasing 20 documents and emails to you in full.

I am releasing 83 documents and emails to you in part, with some information withheld under the following sections of the Act:

- 6(b)(i) as the making available of that information would be likely to prejudice the entrusting of information to the Government of New Zealand on a basis of confidence by the Government of any other country or any agency of such a Government.
- 6(b)(ii) as the making available of that information would be likely to prejudice the

entrusting of information to the Government of New Zealand on a basis of confidence by any international organisation.

- 9(2)(a) to protect the privacy of natural persons.
- 9(2)(b)(ii) to protect information where the making available of the information would likely unreasonably to prejudice the commercial position of the person who supplied or who is the subject of the information.
- 9(2)(ba)(i) to protect information which is subject to an obligation of confidence or which any person has been or could be compelled to provide under the authority of any enactment, where the making available of the information would be likely to prejudice the supply of similar information, or information from the same source, and it is in the public interest that such information should continue to be supplied.
- 9(2)(g)(i) to maintain the effective conduct of public affairs through the free and frank expression of opinions by or between or to Ministers of the Crown or members of an organisation or officers and employees of any public service agency or organisation in the course of their duty.
- 9(2)(h) to maintain legal professional privilege.
- 9(2)(j) to enable a Minister of the Crown or any public service agency or organisation holding the information to carry on, without prejudice or disadvantage, negotiations.

I am releasing 10 documents to you as excerpts as per section 16(1)(e) of the Act, with some information withheld under the following sections of the Act:

- 6(b)(ii) as the making available of that information would be likely to prejudice the entrusting of information to the Government of New Zealand on a basis of confidence by any international organisation.
- 9(2)(a) to protect the privacy of natural persons.
- 9(2)(b)(ii) to protect information where the making available of the information would likely unreasonably to prejudice the commercial position of the person who supplied or who is the subject of the information.
- 9(2)(g)(i) to maintain the effective conduct of public affairs through the free and frank expression of opinions by or between or to Ministers of the Crown or members of an organisation or officers and employees of any public service agency or organisation in the course of their duty.
- 9(2)(h) to maintain legal professional privilege.

I am withholding 21 emails in full under section 9(2)(h) of the Act to maintain legal professional privilege.

I am refusing one document in full under section 18(d) of the Act as it is already publicly available as per the link in the document schedule below.

While Document 26 (26-BRF-01120) was dispatched to Ministers outside of the date range of your request, a number of emails preparing for this briefing were shared between officials before 15 June 2026 and the briefing helps to contextualise some of these emails. As such, I am proactively releasing the briefing to you with some information withheld under the following sections of the Act:

- 9(2)(a) to protect the privacy of natural persons.
- 9(2)(b)(ii) to protect information where the making available of the information would likely unreasonably to prejudice the commercial position of the person who supplied or who is the subject of the information.
- 9(2)(g)(i) to maintain the effective conduct of public affairs through the free and frank expression of opinions by or between or to Ministers of the Crown or members of an organisation or officers and employees of any public service agency or organisation in the course of their duty.
- 9(2)(h) to maintain legal professional privilege.
- 9(2)(j) to enable a Minister of the Crown or any public service agency or organisation holding the information to carry on, without prejudice or disadvantage, negotiations.

In terms of section 9(1) of the Act, I am satisfied that, in the circumstances, the withholding of information in this request is not outweighed by other considerations that render it desirable to make the information available in the public interest.

Please note that some email threads with the same subject line contain identical content due to branching conversations over time. In each instance, we have removed duplication of emails in any email thread after the first ones that they appear in, except where it is needed to show the point of divergence or where the text has been retrospectively added to later in the conversation (for example, when officials have added annotations in red text).

I am releasing information about 13 meetings to you attended by MfE officials in Table 1 below. These were collated by isolating Microsoft Outlook calendar invites and responses in scope of your request that were identified through the email search process. I am withholding information about four further meetings under section 9(2)(h) of the Act to maintain legal professional privilege.
