s 9(2)(a)

Dear s 9(2)(a)

Thank you for your email of 14 March requesting the following under the Official Information Act 1982 (the Act):

*Please release submissions, including names, made by health-related organisations or individual health professionals on the "Our Climate Your Say: Consultation on the Zero Carbon Bill"*

Submissions on the *Our Climate Your Say* consultation are already publicly available at <http://www.mfe.govt.nz/node/24411>. Therefore, I am refusing your request under section 18(d) of the Act.

For your convenience I include a list of the submissions from health-related organisations; the submissions can all be accessed at the link above. There is no list of submissions from individual health professionals as the majority of individual submitters did not include occupation information in their submission.

You have the right to seek an investigation and review by the Office of the Ombudsman of my decision. The relevant details can be found on their website at: [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz).

Yours sincerely

Janine Smith  
Director, Climate Change

Released under the Official Information Act 1982
