Subject: Expert Panel - Fast Track Approval

Dear Adrienne,

I am advised you may be compiling a list of candidates suitable for appointment to 'Expert Panel's' convened as needed, to assess projects of regional and national significance. I would appreciate being considered for inclusion on any such list.

I have reasonable availability having retired from full time employment last year after a career centered on the interface between NZ's commercial and environmental priorities.

Please find attached a brief CV for your information. I would be happy to provide a more targeted assessment of my experience and expertise in relation to particular projects on request.

Kind regards

Murray Parrish
