Hi David

Thanks so much for talking to me earlier about the opportunity for you to join the Ministerial Advisory Group for the Fast-track Approvals Bill Listed Projects assessment.

As discussed, should you decide to proceed with the Panel, I would be very grateful if you could send me a copy of your CV as soon as possible thank you, it doesn't need to be super current, but is a requirement for the Appointment and Honours Committee paper, as is completion of the table below:

<b>Possible conflicts of interest*</b>	For example - shareholdings or other financial interests, other employment, membership of Boards or other Advisory Panels, etc.
<b>Proposals for conflict management</b>	e.g. Declare interests, and avoid making recommendations on any organisations' projects in which you hold a financial

(if applicable)	interest, or where there may be an actual or perceived conflict of interest for other reasons
-----------------	---

I do appreciate you taking the time to consider joining the Advisory Group, and I apologise for the rushed timeframes.

I look forward to hearing back from you when you have had a chance to reflect.

Kind Regards

Stephanie
