Hello Stephanie,

I got the sense after our brief chat that getting a CV to you earlier than Monday might suit you better so I wanted to get something to you promptly. Hopefully, this gives some idea of my background and I declare that I'm known to Minister Jones.

I'd spend more time on this if needed but the attached CV ought to provide some indication of the areas of engagement that I've been involved in, particularly in recent years.

If you should require any further detail then please let me know.

Regards

Vaughan Wilkinson

Good afternoon Vaughan

Nice to chat just now. Thank you for your interest in being a member of the Fast-track Approvals Bill Ministerial Advisory Panel.

As discussed, please could you complete the table below in relation to potential conflicts of interest and return to me at your earliest convenience. I am hoping the table will be straightforward to complete, and you will be familiar with such forms I'm sure. This conflict information is a requirement of the Appointment and Honours Committee process which we hope to complete next week.

I shall look forward to receiving your CV next Monday, feel free to send it to this email address thank you.

I shall be in touch again in the near future with next steps.

In the meantime, I hope you have a nice weekend.

Kind regards  
Stephanie
