Couple more names for the list.

I've circulated already but if you could add them to our tracker and ensure they're part of what we punt up.

Not quite sure yet how we handle the late comers that haven't been circulated across agency DCE's. Something for Monday.

Amazing work this week – that's so much for all the hard yards. Hope the appointment goes ok this afternoon.

Kia ora koutou,

- Please find attached the Draft Briefing and Cabinet paper for your review. **Feedback please by 8am Monday please** so we can incorporate before submitting to Ministers on Monday morning.
- Please also find attached the list of nominations for the Fast track Advisory Panel that has come through agencies.
  - Note: Some agencies are still underway with providing names (DOC & HUD) and some nominees have not yet been confirmed that they are willing or available to be put forward.
  - We intend to put only nominees to Ministers who have consented for us to do this.
  - It would be useful for agencies to **give feedback on their top preferred nominees** from this list so that we put forward the short list of preferred candidates to Ministers but also provide them with the longer list to choose from should they wish.

Ngā mihi  
Ilana
