So far Ilana has been communicating with DCEs. Let's ask her to do an email out to those DCEs who made the shortlist requesting a filled out form ASAP, cc us in so we can capture the responses as they come in.

Yes, I think that is sensible, and then we'll only have to scramble if they pick off the long list. Tell them to keep it tight, usual story.

I think he's correct, we'll probably want to give the form to the agencies who's nominees are selected to attach to the APH paper. Which will mean getting it out today.

Do we want to send that form to agencies and get them to fill it out for their shortlist candidates? Then we can cull it back once we have the final five?

Morena

Can you please have a quick chat to Francis about the info we need for APH, he seems to have got the wrong bit? I think we can rest assured that some of their pics will be in the mix

Just following up to provide the final shortlist has gone to Ministers offices (I understand both Bishop's office has provided them to Jones) yesterday afternoon

@Francis van der Krogt [EXTERNAL] (MBIE) just flagging that if MBIE nominees are part of the Ministers picks, we will come back to you to get the info we'll need for APH – re demographic data (age, location, gender, ethnic/tribal affiliation, disability etc) plus a CV and this will be super short turnaround as lodge of the APH paper is expected on Thursday this week. Just giving you a heads up now and we'll follow up as soon as we get any direction from Ministers.

Ngā mihi
