Hi Murray

No problem at all, and thanks for getting this information to me.
Cabinet will be deciding on appointments next Tuesday. At this point we are unsure whether Ministers will wish to announce appointments immediately post Cabinet, but if so, we will endeavour to let you know before this happens.
In the meantime, if you have any further question, please give me call.

Ministry staff work flexibly by default. For me, this means I work either from home or in the Wellington Office between 8.30am – 5.30pm

Hi Murray

Thanks for that, this is the last piece of information we are waiting for before the Ministers Office can lodge the Cabinet Paper, so as soon as you can would be appreciated thanks.

Hi Murray

Thanks so much for talking to me earlier about the opportunity to join the Ministerial Advisory Group for assessment of the Fast-track Approvals Bill Listed Projects.

As discussed, I would be very grateful if you could complete the table below on Conflicts of Interest as soon as possible and return to me thanks. I am sure you are familiar with this type of thing. Completion of this information is a requirement of the Appointment and Honours Committee.

I do appreciate your interest in joining the Advisory Group. Please feel free to call me if you have any further questions.

Kind Regards
Stephanie
