Subject: Fast Track Consenting Approvals Bill - Ministerial Advisory Group Conflicts of Interest

Hi David

Thanks so much for talking to me earlier about the opportunity for you to join the Ministerial Advisory Group for the Fast-track Approvals Bill Listed Projects assessment.
As discussed, should you decide to proceed with the Panel, I would be very grateful if you could send me a copy of your CV as soon as possible thank you, it doesn't need to be super current, but is a requirement for the Appointment and Honours Committee paper, as is completion of the table below:

Possible conflicts of interest*	For example - shareholdings or other financial interests, other employment, membership of Boards or other Advisory Panels, etc.
Proposals for conflict management (if applicable)	e.g. Declare interests, and avoid making recommendations on any organisations' projects in which you hold a financial interest, or where there may be an actual or perceived conflict of interest for other reasons

I do appreciate you taking the time to consider joining the Advisory Group, and I apologise for the rushed timeframes.

I look forward to hearing back from you when you have had a chance to reflect.

Kind Regards
Stephanie
