Hi David

That would work, let me discuss with the Team, and with MBIE and I'll come back with some suggested times. Is there any time you aren't free?

Tena koe Stephanie

I don't have plans to be in Wellington this week. Perhaps you and I and your team can have a Teams meeting to discuss things? I am pretty good the rest of this week every day after 11? Please let me know.

Nga mihi

Hi David

Acceptance received thanks. Ministers are waiting for all parties to accept before announcing, and the Office are preparing a Press Release. I have received all the acceptances now and have forwarded them to the Ministers office.

I think a Teams meet and greet would be grand. I was thinking it might be useful for you to meet with us and MBIE first, so we can work up what artefacts and information you might like to have to inform your first Advisory Group meeting, and to discuss logistics about the transfer of application information, the need for assessment templates, and other similar artefacts if you think some of these might be useful? Were you in Wellington anytime soon?

Kind Regards

Stephanie

Morena Stephanie

Here you go. Please acknowledge receipt. If you can let me know when any press release might go thanks.

Depending on when appointments are confirmed I'll look to line up an initial meet and greet via Teams.

Have a good day.
