Hello everyone

Just a quick heads up that we are expecting Ministers Bishop and Jones to announce the appointment of the Advisory Group and your names and brief bio's sometime this afternoon.

There has already been significant media interest in this whole process, so I'd just like to remind everyone, please do not speak to media about this if contacted, and if you are contacted directly please let me know as soon as you can, so we can arrange an appropriate response.

Thanks very much, and either I or your Chair shall be back in touch soon with next steps.

Stephanie
