Subject: Cabinet feedback - direction for all future Cabinet papers

Importance: High

Kia ora MFE climate leadership,

In today's Cabinet there was a direction to all Ministers on the form of future Cabinet papers, specifically:

1. Absolute **10page maximum** limit for Cabinet papers; and
2. **Too many noting recs:** the Government is 8+ months into the terms and focused on decisions and action, so recs need to reflect active decisions not long lists of noting recs.

Next steps:

- Please convey this to your teams so they can align; and
- [@Mark Vink](#) Can we ensure that up-coming papers align with this expectation (esp. the ETS Settings/regs papers coming this week for lodgement).

As always, please reach out if you have any questions.

Ngā mihi,

James Coombes (he/him) | Private Secretary – Climate Change | Office of Hon Simon Watts MP

Minister of Climate Change
