**Subject:** Potential joint decision briefing template?

Hi Rhedyn/RM Reform,

Sarah and I were wondering if a format like the attached could work for joint decision briefings for national direction?

A few benefits of the format include:

- It isn't a decisions table (he has a bit of an aversion to this format)
- It allows Ministers to see what each other's decisions
- It means that the wording of the rec can still go across the page
- It is clear which Minister is deciding to each rec (as sometimes we have various combinations throughout the paper).

Just thought I'd pass on in case helpful.

Ngā mihi,
