CNGP: 2023 Results Preview

**1 May 2024**

CNGP presentation to Inland Revenue Department giving an overview of the CNGP programme. IRD presented their own data towards the end of the presentation.

**19 September 2024**

CNGP provided an overview of reporting requirements including small updates to the data template and survey.

### Ad hoc basis

- Drop-in sessions. These were run on an ad hoc basis for organisations to drop in and ask questions they had about reporting, reduction efforts, etc. These were not recorded nor did they have notes taken.
- Communities of interest. These are run by the organisations and information is sent directly from those organising the sessions.
