We can absolutely do that for you.  
Just wanted to check if you would like us to go any wider than the FKP?  
We would be able to send this out to all CFO's on our distribution list, or we can restrict this to certain sectors as our full list includes a number of entities that wouldn't be impacted by the current requirement of CNGP.  
Let us know your preferred option and we can then send it out to the appropriate group

Happy to chat through the options as well.

Kia ora Mark

Could you please forward this email to FKP members with a request to complete this survey.

The Ministry for the Environment is preparing advice for Ministers on the Carbon Neutral Government Programme (CNGP) to inform future decisions.

**We are seeking perspectives on the impact of current CNGP requirements.** Your feedback will help us present a balanced view of the programme and consider potential changes.

Please fill out the survey by clicking on this link: <https://consult.environment.govt.nz/comms/c967558a>

The survey should take approximately 15 minutes to complete. Your responses will be anonymised, ensuring no identifying details are shared. We value your honest and detailed input to accurately reflect how the CNGP has impacted your agency.

The Survey will be open until 18 September.

Many thanks,  
CNGP Team
