This is the info we've shared following today's council meeting! Stefanie has emailed James

Kia ora

As promised in my earlier e-mail message, I wanted to update you on the Council's decision on the next steps for our Regional Policy Statement and changes to some of the Canterbury Regional Plans (known collectively as Plan Change 8).

Today, councillors voted to pause development of the Canterbury Regional Policy Statement until 2026. They also voted to engage with the Minister for the Environment to clarify if there is a pathway available to notify Plan Change 8 prior to January 2026.

If you need clarification or there is anything you want to discuss, please don't hesitate to contact me.

Nga mihi
Katherine
