Kia ora Zella,

Yes I had a good break. I hope you did too. I spoke to Rowan the morning and he is working on a drafting response to Chair Pauling's letter for the Minister to consider and send out.

I am now working on RM Reform, so please direct future enquires on this to Rowan.

Ngā mihi

Kia ora David & Rowan,

I hope you had a great break!

I've attached the letter sent from our Chair to Minister Simmonds re Environment Canterbury's RPS & PC8. It would be great to get a conversation going on PC8 in particular, as ideally we would notify it before we get a new Council – mid year. We are 100% open to discussing changes.

Any tips, suggestions, or contacts for getting this shuffled to the top of the pile would be greatly appreciated.

Thank you,
Zella.
