Kia ora koutou,

The project team have been working hard through the discovery phase of our operating model mahi. We've collected a wealth of information about the Ministry and how we work.

[This article](#) provides you with an update on what's been happening, what we've heard so far, and what's next for the project.

You can stay connected using the [operating model project hub](#). You can also send thoughts and ideas to the [FeedbackOpModel@mfe.govt.nz](mailto:FeedbackOpModel@mfe.govt.nz) inbox at any time. As you'll find in the article, there's still time to contribute and we'd love to hear from you.

Ngā mihi,

**Laura Dixon**
