Kia ora Samira,

Please see the **attached** signed BRF-4465.

Note that the Minister of Justice has already sent the A-G a letter (also **attached**). Please ensure the points raised by the MOJ are covered off in the next piece of advice – especially the resourcing and cost implications of MFE doing this work, considering ensuring the Government delivers on its existing commitments.

As per rec e and f - I'll work with the MCC's office to get the letter sent out either today or Monday and will send a copy to MFE for your records.

Ngā mihi,

MP
Minister of Climate Change
