1. Have any private companies emerged as targets in NZ?

- *Smith v Fonterra* is a claim by Michael Smith (the climate change spokesperson for the Iwi Chairs Forum) who issued proceedings in 2020 against the seven major New Zealand companies – Fonterra Co-operative Group Limited; Genesis Energy Limited; Dairy Holdings Limited; New Zealand Steel Limited; Z Energy Limited; New Zealand Refining Company Limited; and BT Mining Limited. These companies collectively moved to strike out the proceeding and a judgment from the Supreme Court is pending.
