Kia ora Nicola and Angus,

I'm just passing this along as an FYI that MP Maureen Pugh has contacted us on behalf of a requestor for a response about the Taylorville Resource Park. We will respond to this via an OIA.

I'll let the drafters of the meetings notes for each Minister know about this too, in case it should be added to the context.

Kind regards,
Lucy

Kia ora

Our office has been contacted by **9(2)(a)** who wrote to the Ministry of Environment on 24 November 2023 but informs me that he has not received the answers to the questions he requested. Please find attached a copy of his original letter sent to the Ministry of Environment.

9(2)(a) is seeking answers to two questions which can be sent to me to pass on to **9(2)(a)**

- 1) Is the private Taylorville resource park consented landfill national registered audited and paying the required waste levy
- 2) Are any of our consented private landfills on the West Coast Greymouth registered (national register) and annual audited

Would you please also send to me the results of any test results around the vicinity of the Taylorville Resource Park clean fill site, and any other demolition waste disposal facilities in the Grey district.

Thank you
Regards

MAUREEN PUGH
