Kia ora Angus

We have just been advised that EPA has lifted the abatement notice on the Taylorville Resource Park ([EPA concludes Greymouth landfill investigation | EPA](#)). We have updated the briefing at paragraph 19 to reflect this.

Apologies for the last minute update – but a useful update if the topic is raised during the meeting.

Ngā mihi

Kia ora Angus

Please find attached BRF-5236 Meeting with West Coast Mayors to support the Minister's meeting with West Coast Mayors on 10 September 2024.

We have also included the diagram which was provided in a previous brief (BRF-4733) and thought that it was useful in setting out the different plans in play in the West Coast.
