Kia ora Caleb,

A draft of the second report is due COB on the 11th Oct and the final version is due the 18th Oct. Hence there is a very tight turn around for review of the draft and feedback. At this point our intention is to try to get feedback to Sapere by COB Tuesday 15th if not earlier to give them (Sapere) time to review and incorporate any required changes by the 18th. This is very tight. We will endeavour to get the draft report to you ASAP (maybe even Saturday 12th) but please note that the window for feedback is very narrow so please set aside time now if you can.

Ngā mihi,
Conrad
