### Classification

Thanks Steph, it would be good to touch base next week on the Cabinet paper/report – Ashleigh and I can take the lead but James may also be interested in attending.

Would sometime on Wednesday afternoon suit? Thursday and Friday are looking quite busy on our end.

Cheers,  
Caleb.

Hi both,

I know you Tessa, Tim and Conrad have been staying closely in touch with you on the KPMG and Sapere reports we commissioned related to the waste disposal levy, but I thought it would be useful to touch base on the associated Cabinet paper also. Because of the timing of the Sapere report there will be a fairly short window for me to turn around a draft of the paper. The timeline we have mapped out is:

Deliverable/milestone	Revised dates
Complete contract deliverables	By 30/8 (rec 23) By 18/10 (rec 22) [draft received COP 11/10]
Cab report back paper CAB-471 (& cover BRF) drafted	By 22/10
Cab paper provided to agencies for feedback	22/10-30/10 (1 week incl. Labour day)
Revise Cab paper with feedback	30/10
Cab paper drafted & supplied to MO	1/11
Ministerial consultation	04/11-12/11 (1.5 weeks)
Revise Cab paper with feedback	13/11
lodge Cab paper	14/11
Cabinet committee (ECO)	20/11
Cabinet	25/11

Because of the tight timeframes, we thought it could be useful to meet with you guys (also including James Haughton and Davin Hall from your end, and Glenn Wigley from our end) to discuss the draft report and Cabinet paper towards the end of next week.

Let me know if that would suit and I can send through an invite. Let me know also if there are other or different staff from your end that should attend.

All the best  
Steph
