Subject: Agenda: meeting with ESEG on NPS-REG options [UNCLASSIFIED]

Hi – please find below an agenda for the meeting on Thursday.

Topic	Who
Introductions, confirm agenda	All
Update on Government direction: - Section 6/Part 2 - Bill 2 policy – consenting - Other ND changes - Phase 3	MfE/MBIE
NPS REG Intent	MfE/MBIE
ESEG NPS REG drafting – issues to discuss - Code / one stop shop - ANIs vs SEV and what values are captured - EMF vs EMH - First step of EMF: avoid where practicable, functional or operational need - Identifying and mapping values vs in a consent process - Use of offsetting and compensation - Putting EMF in NPS policies vs implementation clause - Residual effects and weighing benefits test - Existing environment	All to discuss
Any other points on what an NPS can and cannot do [although this might come up in the above]	All to discuss
Next steps	MfE/MBIE
