Subject: MoE comment on Maryhill Ltd application

Mōrena Kristan,

As discussed, please see below for MoE comment on your COVID fast track application.

The Ministry of Education (MoE) are engaging in on-going discussions with Maryhill Ltd regarding a potential primary school site in the proposed development. MoE have a requirement for a primary school in the wider Ladies Mile development with a proposed school opening date of 2025. The Maryhill Ltd proposal includes a primary school and early childhood centre. If the primary school and early childhood centre are not located on the site then this area would be utilised for medium density residential housing.

If these discussions progress and an acquisition takes place, a school will be located on the site. In that instance, MoE will seek to designate the site for Educational Purposes as a separate and independent exercise. The two parties are engaged in on-going discussions. A school has been incorporated into the concept plans to demonstrate how a school would fit within the wider development, any specific location or design is yet to be endorsed by the MOE.

Ngā mihi nui,
Nicky
