

NOTES:

Do not scale from this drawing.

Drawing to be read in conjunction with all other consultants drawings and specifications.

All dimensions must be checked on site by the contractor before any materials are ordered.

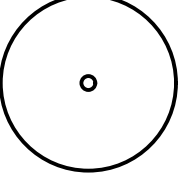

PLANTING NOTES:

1. All plants to be true to name and species.
2. All substitutions to be approved by Landscape Designer.
3. All plants to be healthy and free of disease and/or injury at the time of planting.
4. All plants to be watered prior to planting.
5. All garden beds to be finished with a 70mm layer of mulch.
6. All trees to be double staked and tied, where underground guying is not specified.
7. Plant numbers indicated on plans may vary. Refer to the corresponding plant schedule for final quantities.
8. All existing plant bed areas are to be free of invasive weed species prior to planting.
