

6 September 2024

OIAD-1200

9(2)(a)

Dear 9(2)(a)

Thank you for your email of 10 August 2024 requesting the following under the Official Information Act 1982 (the Act):

Please provide any and all information known or held by your department in any and all formats, including, but not limited to, documents, draft documents, reports, memos, letters, notes, electronic communications, transcripts, visual presentations, photography, and video/audio recordings containing information pertaining to geo-engineering, weather modification and Solar Radiation Management/Mitigation (SRM) with particular emphasis on cloud seeding, marine cloud brightening/engineering/seeding and Stratospheric Aerosol Injection (SAI).

Additionally, please provide any and all information known or held by your department in any and all formats, including, but not limited to, documents, draft documents, reports, memos, letters, notes, electronic communications, transcripts, visual presentations, photography, and video/audio recordings containing information pertaining to barium, nano aluminium-coated fibreglass (known as chaff), radioactive thorium, cadmium, chromium, copper sulphate, nickel, strontium, graphene, desiccated blood, mould spores, yellow fungal mycotoxins, ethylene dibromide and polymer fibres with relation to their uses, or potential uses, in geo-engineering, weather modification, Solar Radiation Management/Mitigation, cloud seeding and Stratospheric Aerosol Injection.

And Finally, please provide any and all information known or held by your department in any and all formats, including, but not limited to, documents, draft documents, reports, memos, letters, notes, electronic communications, transcripts, visual presentations, photography, and video/audio recordings containing information pertaining to any mention of smart particles, nano machines, nano aerosols, nano-particulates or nano-sized aluminium particles with relationship, if any, to geo-engineering, weather modification, Solar Radiation Management/Mitigation, cloud seeding and Stratospheric Aerosol Injection.

I am refusing your request for “letters” and “electronic communications” under section 18(d) of the Act, as the requested information is publicly available, here: [Request all reports and enquiries received by the public regarding Atmospheric aerosol geoengineering, Chemtrails, Aircraft emissions, Stratospheric aerosol injection or Solar radiation management since 2010 | Ministry for the Environment](#)

I am refusing the remainder of your request under section 18(e) of the Act, as the information does not exist.

You have the right to seek an investigation and review by the Office of the Ombudsman of my decision relating to this request, in accordance with section 28(3) of the Act. The relevant details can be found on their website at: www.ombudsman.parliament.nz.

Please note that due to the public interest in our work the Ministry for the Environment publishes responses to requests for official information on our [OIA responses page](#) shortly after the response has been sent. If you have any queries about this, please feel free to contact our Ministerial Services team: ministerials@mfe.govt.nz.

Yours sincerely

Sarah Kenward
