Thank you for your request for the following under the Official Information Act 1982 (the Act), which was transferred on 4 July 2025 to the Ministry for the Environment (the Ministry):

Copies of all support materials provided by officials to the Minister or their Office for Estimates 2025/26 Hearings (June 2025 Scrutiny Week). Where a document that falls under scope of this request cannot be released, please supply a summary of that document's contents. Where any document falls under the scope of this request, please release it in full, including sections which might otherwise be considered out of scope.

I have interpreted your request for 'support materials' as being for finalised versions of materials provided to Ministers to support their attendance at the 2025/26 Estimates Hearings.

I have identified 13 documents in scope of your request, as listed in the document schedule below.

I am releasing 10 documents to you in full. I am releasing three documents to you in part, with some information withheld under the following sections of the Act:

- 9(2)(f)(iv) to maintain the constitutional conventions for the time being which protect the confidentiality of advice tendered by Ministers of the Crown and officials.
- 9(2)(g)(i) to maintain the effective conduct of public affairs through the free and frank expression of opinions by or between or to Ministers of the Crown or members of an organisation or officers and employees of any public service agency or organisation in the course of their duty.

In terms of section 9(1) of the Act, I am satisfied that, in the circumstances, the withholding of information in this request is not outweighed by other considerations that render it desirable to make the information available in the public interest.

You have the right to seek an investigation and review by the Office of the Ombudsman of my decisions relating to this request, in accordance with section 28(3) of the Act. The relevant details can be found at: www.ombudsman.parliament.nz.

Please note that due to the public interest in our work, the Ministry publishes responses to requests for official information shortly after the response has been sent on our website at: <https://environment.govt.nz/about-us/official-information-act-requests/>. If you have any queries about this, please feel free to contact our Ministerial Services team at: ministerials@mfe.govt.nz.
