Kia ora,

With huge apologies for lateness, DOC's notes on this are below; it doesn't appear to be ineligible.

1. Likely no PCL affected. Marginal strips adjoining sections of Manawatu River, Tutira Stream and Massey Marginal Strips potentially located in works area.
2. Wildlife Act approvals may be required in relation to lizards and birds. Freshwater Fisheries Reg requirements may be required for stream/river works.
3. The Rangitāne o Manawatū Treaty settlement relates to the project area, and the Porirua ki Manawatū claim is also relevant (as noted in the material provided by the applicant). We would recommend engaging with Treaty partners to understand their views and perspectives.

Thanks,
Meredith
