Good afternoon

We have lodged a Fast-Track Approvals Application on behalf of Brunner Builders Limited (**attached**): "Response ID ANON-URZ4-5F1Y-T".

Brunner Builders is the landowner of the application site, and the applicant.

However, we answered 'no' to the Section 4 question '*Has the applicant has secured the relevant landowners' consent?*' given the context Section 4 and the above questions relating to Māori land and land returned under Treaty settlement (as those questions are not applicable to this application). Can you please advise whether that is the appropriate response, in absence of their being a 'not applicable' option, or whether we should have answered 'yes'. See yellowing highlighting in the **attached**.

Thanks

Kelsey
