Hi Meredith and Neil

In the table below is a response on Nine Mile South. Any more details Suvi van Smit, Ops Manager for Buller/Westport is the best source of information.

Question	Response
Is any PCL affected? In particular, is the project likely to affect a National Park, Wildlife or Forest Sanctuary, Nature or National Reserve, or Ramsar sites?	No PCL is affected
Would the site likely require any DOC approvals (eg Wildlife Act, Conservation Act, freshwater fisheries)	Wildlife Act (note a permit is already held at the site to the north)
Do we know of any Treaty implications that MfE should be made aware of (eg, whether the site is relevant to a Terms of Settlement)?	No implications or commitments on the actual land under application, but immediately downstream – to the south-west is a Ngai Tahu Deed of Recognition site – Okari Lagoon

Cheers

Joy
