Thanks, I thought that would be the case, but thank you for your alternative to append our application at your end,

Items for Change:

Section 2 - Project Details – What are the project details – Paragraph 3

Currently Reads:

Ocean Farms have been advancing novel technological offshore systems have been developed with our Norwegian partners to expand viable production areas in New Zealand and move from the more traditional and challenging open-pen farming methods closer to shore.

Should Read

Ocean Farms have been advancing novel technological offshore salmon farming systems that have been developed with our Norwegian partners. These systems will expand viable production areas in New Zealand beyond the 12-mile limit and offer farmers to move from the more traditional and challenging open-pen farming methods closer to shore.

Describe the staging of the project, including the nature and timing of the staging
Please write your answer here:

Currently Reads

Stage 1 – 2022 – 2024 has been completed over the previous 18 months. During this time, over 10,000 man-hours have been completed on preliminary design and costings in NZ, Norway and at CIMC Yantai. In New Zealand extensive oceanographic studies were undertaken. Cooperation with salmon farmers leading to MOU. Engage EPA, MNZ MPI and NZTE. Two key strategic partnerships have been formed with Dialog Fitzroy (Technical) and Seaworks (Marine)

Thanks, our ID is ID is ANON-URZ4-5FA5-6.

There are two typographical errors and one small edit we would like to make to the submission. Can you advise if this is possible? I note we have 3 days until the deadline closes on 3rd May.

Thanks and I look forward to hearing.

Regards
Calum.

Good afternoon,

We are finalising our FT Application Schedule A.

We have some supplementary documents; a 'Briefing Document' and we have a link to a Vimeo about the project, it's not a large document, but there's not facility for us to upload additional material. Is this to keep the Application streamlined or is there an opportunity to upload any supporting documents?

Look forward to hearing.

Kind regards

Calum
