Dear Barry

RE: Oruku Landing Conference and Event Centre – Fast Track Consent

Advice received from the Ministry is that due to the level of detail required the project owner is best placed to complete and submit the application for Fast Track consideration, with support from the local MP.

This letter serves to provide that support for **Oruku Landing Conference and Event Centre – Fast Track Consent**

Please complete and submit the application following the link

<https://consult.environment.govt.nz/resource-management/fast-track-consenting/>.

The closing date for applications is 3 May 2024.
