Colleagues a great tour. Sincere thanks for organising it and for hosting it so well.

From initial feedback I am not sure that the Govt colleagues fully appreciate the expanded village idea. It's probably not something that have thought about too much.

I indicated at the airport that SG should b supporting village and Te Puke expansion. It's not one or the other but both to provide housing choice and different lifestyle opportunities.

We may need to document the benefits of village expansion over and above what's in Andrea and Kevin's plan.

Mark u probably have stuff written here.

They r not opposed but need a little more info.

Those of us who grew up in the country know this stuff already.

I am happy to assist here.

Am a tad stunned at the level of KIWIFruit investment since our last tour.

Cheers
