MFE CYBER SECURITY WARNING

This email originated from outside our organisation. Please take extra care when clicking on any links or opening any attachments.

Morena Stephanie.

Thank you for reaching out.

We deliberately lodged under both categories, after review of the MFE portal that did not specify that an application could only be lodged under one criterion. We also reviewed the terms of reference.

Therefore, can I ask; is it possible for the application for Schedule 2A to be progressed on the basis that the project is considered for inclusion in 2B if it does not make the 2A list?

Also, it may be an opportune time to mention that in the upload notes, I recorded that a correct address was missing from our list of landfill sites, can I please request that the s 9(2)(b)(ii) property address is updated to record an associated address at s 9(2)(b)(ii)

Ngā mihi,
Phil.

P.S. Whilst both applications were submitted sequentially on the evening of the 3rd May, I note your email suggests that the 2A application was submitted the day before. The confirmation emails received are attached. I don't believe this changes anything, but I thought I'd point out the matter.

Kia ora Phil

Thank you for your application requesting inclusion of the Te Rāhui Land Fill project in Schedule 2 of the Fast-track Approvals Bill.

The application appears to have been lodged in duplicate, one under 2A (submitted 2 May) and one under 2B (submitted 3 May). A brief check indicates the applications appear to be the same.

Could you please **confirm** by reply email:

- If the application is for Schedule 2A or 2B?

- That the other/duplicate application is to be withdrawn.

If possible, please urgently provide your response by 8.00am tomorrow **Thursday 6 June 2024** at the latest.

Ngā mihi
Steph
