**Review of Proposed Sunfield Development
Ardmore Airport Safeguarding**

Dear Mr Ash,

LEAPP was requested to conduct a peer review of the Lambert and Rehbein Aeronautical Impact Study for the proposed Sunfield Development which is located beside Ardmore Airport. LEAPP's review of the report has found L&R have applied, and is in compliance with the applicable national standards and guidelines for the safeguarding of airport operations at Ardmore Airport with respect to the Sunfield Development.

Sincerely,

Philip Craig MSc, AMRAeS
Managing Director
