Kia ora,

Thank you for your application requesting inclusion of the Tauriko West by Tauriko Property Group Project in Schedule 2 of the Fast-track Approvals Bill.

Could you please clarify who is the applicant for this project?

- You have identified 'Classic Group' as the applicant. The Companies Register has a 'Classic Group Limited' – but it has different directors than those you refer to in your application? There are various other iterations of 'Classic Group... Ltd' on the Register. Elsewhere in the application you describe Classic Group and refer to Classic Builders and Classic Developments these entities also have multiple iterations on the Companies Register.
- In relation to land ownership, you note "The applicant, Tauriko Property Group Limited Partnership (TPG) have Sale and Purchase Agreements..."

We would be grateful for your response no later than **5pm Wednesday 26 June 2024**

Ngā mihi
