Kia ora,  
We do not know of reasons why this project would be ineligible.

It affects two PCL sites, which are both stewardship land – Mt Rochfort Conservation Area and Waimangaroa-Granity Conservation Area.

The project would require an Access Arrangement under the CMA (either new or variations to existing AAs), Wildlife Act permits, and concessions including easements. They may also require permission under Freshwater Fisheries regulations for culverts, diversions etc.

Thanks,  
Meredith

Kia ora Neil and Meredith,

Please find attached the application material for listed project application - Buller Plateaux Continuation Project.

The applicant indicates a Wildlife Act and Conservation Act approval is required.

Could you please let us know anything you're aware of that would render this project ineligible under Clause 18, or any relevant Treaty settlement provisions you are aware of?

If possible, please provide feedback by **midday, Thursday, 6 June**.

Rob
