RE: Gibbston Village, Vinters Village – Fast Track Application

Dear Greg,

This letter is to provide support for the proposed trail developments through the proposed Gibbston Village and Vinters Village, as indicated in the attached Masterplan. Whilst the Queenstown Trails Trust neither supports nor opposes any development proposal, we do recognise the community benefit of the proposed trail network as part of the development.

The Queenstown Trails Trust advocates for the development of an integrated trail network throughout the Wakatipu Basin and wider District, to connect our communities, providing alternate modes of transport and recreational amenity for both locals and visitors.

Gibbston Valley Winery has been a long-term supporter of the Queenstown Trails since their inception and opening in 2012, supporting the delivery and realignment of Gibbston River Trail to a world class standard.

The trails in this proposal will provide significant benefit and amenity to trail users and further enhances our network.

If you require any further information, please don't hesitate to contact me.

Yours sincerely
