Kia ora Brett,

Thank you for your application to have Gibbston Village project listed in Schedule 2 of the Fast-track Approvals Bill.

The application is submitted on behalf of Town Planning Group, but the details of the application imply you're applying on behalf of Gibbston Village Station.

- Could you please provide evidence that Gibbston Village Station are aware of the application to have the project listed in Schedule 2 of the Bill, and are comfortable to be treated as the authorised person(s) for the purpose of lodging applications to an expert panel?
- Alternatively, you could provide evidence that they wish to be treated as the applicants for the purpose of this listing application.
- If Town Planning Group is the true applicant, can you please confirm the full legal name of the organisation?  
I could not find Town Planning Group on the companies register.

Could you please provide information to address the above matter by close of business **Thursday 27 June**?

Ngā mihi,

**Marlene Youl**
